MOST COMPETITIVE PRICING ON THE MARKET TODAY!

We are different!

We provide high quality, professionally recorded messages and texts with up to **60 day Free Trial and Free Set-up**. Our technicians assist with the data interface set-up as well as scripting and training. We make up to 10 dialing attempts at no additional fee. We will dial up to 4 different telephone numbers, per customer, in cascading sequence. All phone calls are recorded, permanently stored, and available for access indefinitely. Online program allows you to control the entire process in order to manage "do not call" patients as well as no show rates and much more. Multiple languages are available also.
